

# Wireless Tabletop Controller

The wireless tabletop controller features an operating distance up to 1,000 ft., buttons with tactile dome feedback, and a large transfective LCD screen that is easily readable in all environments from darkness to bright sunlight. The controller includes a built-in real time clock to keep time of day.

Slide-in keyboard inserts and additional software programs allow you to run multiple sports on your scoreboard with one controller, or operate many scoreboards with one controller. Configurable defaults allow customizing to your league rules. This unit supports the external Run/Stop/Reset switch to allow for additional clock operators.

The controller is compliant with FINA rules Amendment #1: Rule WP20 for Water Polo.

**Sports available:** American football, baseball, basketball, field hockey, lacrosse, soccer, volleyball, water polo, and wrestling
