alarm

NEW Visual "unlatched" alarm

Flashing LED lights give visual notification when the latch is opened or the gate is left unlatched.

NEW Audible "unlatched" alarm

An audible beep upon each entry or exit of a gate. Full alarm sounds only after 15 seconds of a gate being left open or unlatched.

NEW Rekeyable security lock

The 6-pin lock cylinder can be rekeyed, by a locksmith, to match other locks around the home (e.g. front door).

NEW Visible Lock Indicator

A "red-dot" indicator shows at-a-glance whether the latch is locked or unlocked. Simple peace-of-mind.

NEW Optional disarm Feature

The touch-sensor disarm feature allows you to temporarily disarm the ALERT for up to 15 minutes. DO NOT use the disarm feature on pool or safety gates.

NEW Ergonomic lift knob

With its new design, the lift knob is now more conveniently shaped and child resistant than ever.
