

J&J Electronics™

Transforming
Pool, Spa and Fountain Lighting
through LED Technology

What makes J&J Electronics So Different?

J&J Electronics is an innovative and dynamic company that was founded in 1982 as a technology company. It has evolved into one of the leading LED Pool and Spa Lighting companies providing high-quality, competitively priced LED lighting to the commercial and residential pool markets. In-house design, engineering, and manufacturing have allowed J&J Electronics to develop cutting edge products that offer uncompromising quality and unparalleled, feature-driven performance. ColorSplash® multi-color Pool & Spa Lamps and Fixtures along with PureWhite® Pool & Spa Lamps and Fixtures have grown to become industry-leading, trusted brands in both the residential and commercial pool marketplace nationwide.

ColorSplash®

Multi-Color Plus White In-Ground LED Pool and Spa Lighting Fixtures

J&J Electronics’ Color Splash® Series of in-ground pool and spa fixtures and lamps offer a variety of lighting colors and shows. With five solid color and seven lights shows, instantly transform any pool or spa into a custom illuminated paradise. Color Splash® Series fixtures and lamps operate with a standard pool light switch, J&J Electronics’ XG Controller or can be integrated into most Pentair® and Jandy® automation systems; enabling a “one touch” color show selection. Our VU 1.5” nicheless pool and spa fixtures are also available as part of the ColorSplash® fixture series. These versatile fixtures easily retrofit into most 1.5” wall fittings.

ColorSplash Fixture Advantages:

- RGB and RGB-W models available
- Operates with most manufacturers automation systems
- Zero Pixelation Lens provides fuller, richer color*
- Heavy Duty 316 Stainless Steel Construction*
- Advanced processor delivers seamless color transitions
- Industry leading 3-year limited warranty
- Designed, engineered and assembled in the USA

ColorSplash Lamp Advantages:

- RGB and RGB-W models available
- Operates with most pool automation systems
- Preset with 5 solid colors and 7 light shows
- Zero Pixelation Lens provides fuller, richer color*
- Compatible with most manufacturers fixtures
- Industry leading 3-year limited warranty
- Designed, engineered and assembled in the USA

* Not applicable with VU fixtures

COLORSPASH POOL & SPA LIGHT FIXTURES

ColorSplash-XGW LED
F1CW Model
Pool Light Fixture

Voltage	120VAC or 12VAC
Wattage	33W (Max.)
LED Color	White(6500K)
Lumen Output	1500 lm (max.)
Equivalent	300W Incandescent
Housing	316 Stainless Steel
Lens	Zero Pixelation Glass
Cord Type	120V - 16/3 STWA 12V - 12/3 SJTW
Cord Lengths	30' 50' 100' 150' (200' 300' - 120V only)

ColorSplash-XGW LED
F2CW Model
Pool Light Fixture

Voltage	120VAC or 12VAC
Wattage	58W (max.)
LED Color	White(6500K)
Lumen Output	4270 lm (max.)
Equivalent	500W Incandescent
Housing	316 Stainless Steel
Lens	Zero Pixelation Glass
Cord Type	120V - 16/3 STWA 12V - 12/3 SJTW
Cord Lengths	30' 50' 100' 150' (200' 300' - 120V only)

ColorSplash-XGW LED
S2CW Model
Spa Light Fixture

Voltage	120VAC or 12VAC
Wattage	4W (Max.)
LED Color	White(6500K)
Lumen Output	265 lm (max.)
Equivalent	< 100W Incandescent
Housing	316 Stainless Steel
Lens	Zero Pixelation Glass
Cord Type	120V - 16/3 STWA 12V - 12/3 SJTW
Cord Lengths	30' 50' 100' 150' (200' 300' - 120V only)

HOW TO BUILD A PART NUMBER
