

# 8'-0" Tagline Stanchion Post

**Part Number:** 38111 (1.90" x .145" T304 s/s)

## Specifications

- ① The stanchion post shall be furnished individually and shall be fabricated from ASTM A-554 certified 1.90" x .145" wall thickness Type 304 stainless steel polished to a 320 grit finish.
- ② An end cap with welded u-hook shall be provided on the end of the stanchion post.
- ③ The stanchion shall be anchored in 6" deep anchor sockets (not included), which shall be fully imbedded in a concrete deck. The stanchion shall be removable without the use of tools.

## General

The stainless steel shall be electro-chemically passivated on all worked areas for maximum corrosion resistance. All hardware shall be 18-8 stainless steel. Custom designs and modifications are available upon request.

## Stanchion Accessories

ID Number	Description
38211	Stainless steel tagline stanchion socket
38301	Sliding collar, with eye bolt
