

BASKETBALL HOOPS

Our basketball hoops have a regulation-size, stainless steel frame designed to fit into Paragon's Competitor or Quickset anchors. The unit can be installed using new Dual-Wedge Anchors, included with the purchase of the hoop, or it can be ordered less anchors to be used in existing starting platform anchors. Easily removed from anchors without tools for storage or location change.

The backboard is constructed of 1/2" thick clear acrylic which helps eliminate blind spots in the pool. The hardware attaching the spring loaded, powder-coated rim and backboard to the frame is made from T304 stainless steel. Comes in 6 standard sizes or have it custom built to fit your pool configuration.

Order one of our 12 standard sizes or if you require a special configuration, provide the 'A' and 'B' dimensions to have one custom-built to fit your existing anchors and pool profile.

QUICKSET® BASKETBALL HOOP

Stainless steel frame that fits into old and new style Quickset® anchors. Net is included. Order with or without anchors.

I.D. No. 27001-27006

(see chart below)
