Ship Point: Ashtabula, OH 44004

Description: The Super Water Volley deluxe game system is the essential volleyball game for municipal pools, community centers, YMCAs, health clubs, luxury resorts, cruise ships and other commercial and residential locations that demand continuous action, non-stop performance and no-nonsense safety features. Dual, high capacity, rugged plastic bases each hold up to 50 gallons of water (or sand) to create stable platforms that virtually anchor to the deck. Neither ferocious spikes nor lunging blocks into the net can move these bases.

Standard Features

- Rotomolded, UV-resistant polyethylene throughout
- Rugged UV-resistant base
- Durable stainless steel hardware
- Heavy-duty 20-foot long, all-weather nylon volleyball net
- Two waterproof vinyl volleyballs
