### Over 90 Years of Diving Experience

Quality, safety and selection are the hallmarks of S.R.Smith residential diving boards and stands. Available in a wide range of shapes, styles, and colors, our boards and stands are designed with varying degrees of flex and spring. Rigid stands or those that have a spring mechanism can be paired with a variety of boards with varying flex to create unique performance characteristics. Diving board and stand combinations are defined in two ways, according to their level of flex:

- Jump Boards – a flexible board on a base that utilizes a spring mechanism.
- Diving Boards – a flexible board on a rigid base.

### New or Replacement?

While all of our diving boards can be installed on new pool decks, providing they meet safety standards, we also have replacement diving board options. A wide variety of our stands utilize the same jig, so upgrading your stand is simple. Refer to our jig identification guide on page 63. If a new jig is required for the new stand, you can drill holes in the deck and secure a new jig with one of our epoxy kits.

### Salt Pool Friendly

All S.R.Smith diving boards are salt pool friendly. Select stands also perform well in salt pool environments.

# Boards

Whether it's placing a brand new diving board and stand on a pool deck, or updating a well-loved diving board, S.R.Smith has an option that will delight builders and pool owners alike. The diving experience is at the very heart of backyard pools, and S.R.Smith is creating new, exciting options to help ensure diving boards continue to be a centerpiece of swimming pool fun and memories.

**TrueTread®**  
This patent pending diving board features a durable, marine-grade composite surface. Available in blue, red, gray and tan.

**Fibre-Dive Board**  
Fiberglass reinforced core, acrylic shell with flexible outer edge, matte backside, non-slip sanded tread.

**Frontier II Board**  
Fiberglass reinforced core, acrylic shell with flexible outer edge, matte backside, non-slip sanded tread.

**Frontier III Board**  
Fiberglass reinforced core, acrylic shell with flexible outer edge, matte backside, non-slip sanded tread

**Frontier IV Board\***  
Fiberglass reinforced core, acrylic shell with flexible outer edge, matte backside, non-slip sanded tread

\* Frontier IV boards require a special stand

## SPECIALTY JUMP SYSTEMS

### T7 Jump Board Systems

Manufactured from composite materials and the only 7' board on the market. Available in unique colors and visual textures to match our Destination Series In-Pool Furniture and Custom Slides.

# TRUETREAD®

REINVENTING THE DIVING BOARD

S.R.Smith has reinvented the diving board category with a unique, patent pending design: the TrueTread® Diving Board Series. These stylish diving boards make an old favorite new again with a modern, sporty look that provides an exceptional launching grip. TrueTread is a durable, marine grade composite material that stands up to salt, sun and hours of fun. Compatible with multiple S.R.Smith stands, TrueTread Diving Boards are an ideal upgrade that makes the diving board experience new again.

For more information, visit [srsmith.com/truetread](http://srsmith.com/truetread)

# Salt Pool Jump System

Resist corrosion with this new low-profile fiberglass-backed stand and composite spring assembly designed to perform well even in harsh pool environments.

- 6' or 8' lengths
- Available in three designer colors to match your backyard décor
- Stainless steel hardware for added corrosion resistance
- Can be retrofitted onto existing 606/608 Cantilever jigs

## Stand & Spring Colors

WHITE

TAUPE

PEWTER GRAY

Due to printing technology actual color may differ.

All installations must comply with all applicable local and national codes and installation must be completed in accordance with S.R.Smith installation instructions.

## Compatible with:

TrueTread® Board

Frontier III Board

See page 18-19 for diving board part numbers.

## SALT FRIENDLY JUMP STAND WITH FRONTIER III BOARD

Part No.	Description	Weight	Shipping (3 boxes, Class 70)		
			Length	Width	Height
68-211-5962	White Stand & 6' Board	27 lbs/12kg	25"/64cm	20"/51cm	11"/28cm
