

55D1 or 57D18

**HANDGRIP**

- Easily remove handgrip with the push of a button for quick replacement or alternative tool attachment.

623CL

622CL

**DECAGON TUBES**

- Internal 10-sided decagon tubes for superior strength and grip.
- Decagon shape prevents the pole from twisting while in use.
- Ideal for maneuvering heavy vac systems without worry.

621CL

**QUICK LOCK LEVER**

- Ambidextrous lock lever! Simply change the levers to either side of the pole to fit your cleaning preference.

**CARBON FIBER**

- Skimlite's Carbon Fiber is the only 100% carbon fiber pole in the industry.

**STAINLESS STEEL**

- Stainless steel tip that accepts all industry standard tools.
- Equipped with 4-hole drain for quicker removal of water.

Triple Extension Pole\*
